Clean Rooms

Clean room pre engineered modular system offers a cost effective alternative to the conventional construction at the same time it delivers durable and high quality clean room performance.

Partition Panel

At Sai Seva Service, we design and manufacture clean room facilities that perfectly suit with our customer's tastes and preferences. We offer a complete range of cleanroom partition & ceiling system. These systems fulfill the technical requirements of high specification, controlled environment such as pharmaceutical, biotech and microelectronics, as well as food processing plants. Our advanced production technologies make sure that we meet our customer's environmental needs, which are flexible and the date can be extended in case of a requirement.

Wall Types

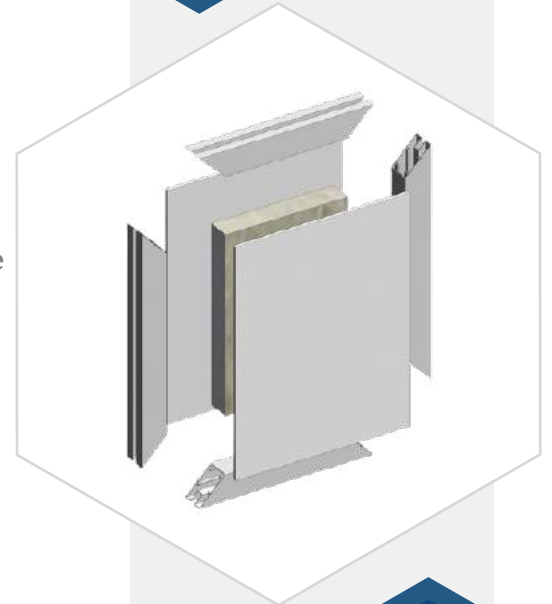

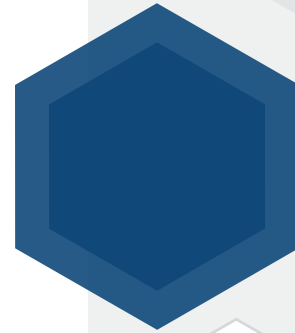

- . Pre-Painted Galvanised Iron (PPGI)
- . Powder-Coated Galvanised Iron (PCGI)
- . High Pressure Laminate Wall (HPL)
- . Glass Panel Wall
- . Stainless-Steel Wall
- AND Many More [As Per Customer]

Features

- . Removable & Re-locatable
- . Cost-Effective & Alternative to Conventional Construction
- . Built to drawing layout, minimal alteration required
- . Fast and easy installation
- . Pre-fabricated cut out for utilities
- . Totally flush concept.
- . Highly corrosive resistance, durable

Specification

- . Panel thickness : 50mm/80mm/100mm/150mm
- . Standard wall partition are a composite construction of two skins pre-coated GI.
- . Powder-Coated Aluminium/SS/Aluminium composite
- . Insulation put (40 kg / M³), rock wool, PRI-PUFF
- . Fire Resistance Material

Clean Rooms Doors / GI Metal Doors

Doors

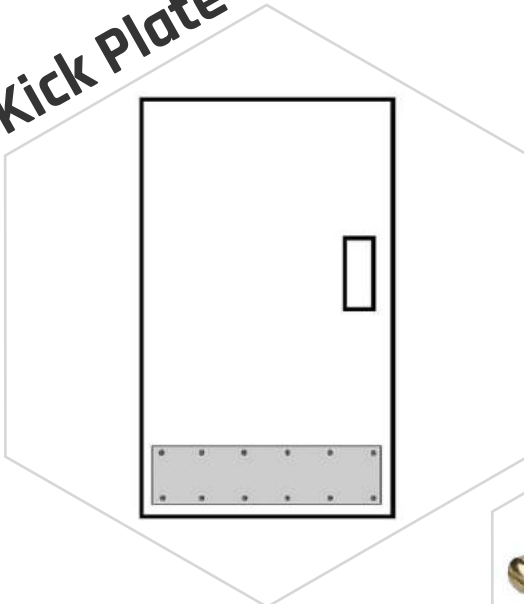

Features

- . Fully Flush surface with wall system
- . A large variety of swing out doors
- . Manual / Semi-automatic & Fully Automatic sliding doors
- . Best in class door hardware
- . Custom dimensions available
- . Heavy-Duty structure for high durability

Door Accessories

Kick Plate

Modular OT [Operation Theater]

Modular OT pre engineered modular system offers a cost effective alternative to the conventional construction at the same time it delivers durable and high quality Operation-Theater performance.

Operation Theater

Features

- . Design As Per NABH Norms
- . Class 100 to 10,000
- . HVAC Design 20,10,3 & 0.3 micron Filtration
- . SS / Aluminum LAF Hepa Bad
- . Surgeon Control ELE Panel
- . Cleanroom Puff Partition Panel
- . Epoxy / Vinyl / PU Flooring
- . Glass View Panel
- . Pass Box

OT Advantages

- . Seamless & Easy Clean
- . Chemical Resistant
- . Durable Life Expectancy in excess 10 years
- . Cost Effectiveness Last 3 to 4 times longer than fungicidal paints.
- . Long Term Savings need not be replaced at the End of design lives.

Types Of Modular OT

- . Modular OT
- . IVF Lab
- . Orthopedic OT
- . Cath Lab
- . Ophthalmic OT
- . AND All types of Modular OT

All Types OT Creates are according to NABH Norms.

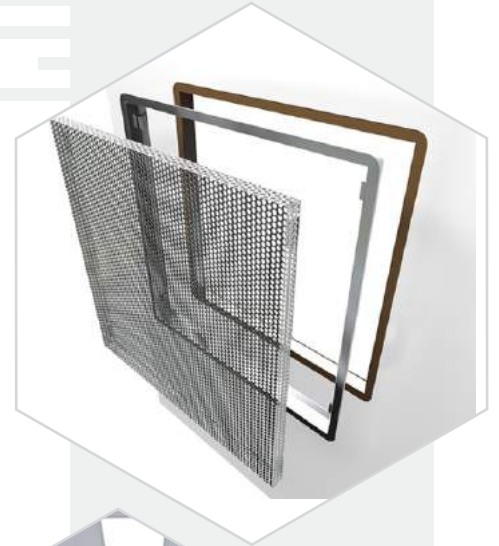

Your ultimate guide in clean room design
& project execution

Accessories

Return Air Grill

Features

- . Made From GI & Stainless Steel(As per Customer required)
- . Custom size(As per Standard)
- . Easy Maintenance & Cleaning
- . Perfectly flush-fitting with the wall

Glass View Panel

Features

- . Heat Resistant
- . Surface treatment coated
- . 5mm thick & Many More
- . Custom size(As per standard)

Clean Room Lights

Features

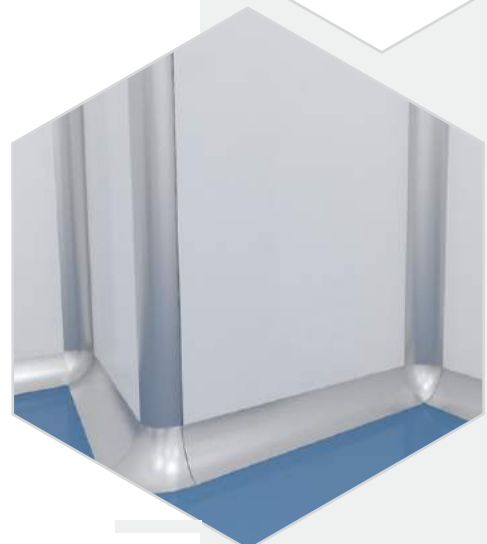

- .Types : FLP [Flame Proof]
Non-FLP [Non Flame Proof]
- .Custom Size(As per required)
- .Perfectly Flush Fitting With the ceiling

Corner Coving

Features

- . Coving Material Aluminum Powder Coated
- . Colour As per Customer Need

Clean Room Flooring & Furniture

Epoxy / PU / Vinyl

Features

- . Appearance :Glossy / Matt
- . Thickness [As Per Customer Required]
- . PU Surface Finish
(No Wax / No Polish)
- . Anti-Bacterial
- . Antistatic
- . Solvent -free
- . Resistant to most chemical agents diluted with acids, bases, oils and fuels
- . Smooth matte effect

Furniture

Fumes Hood

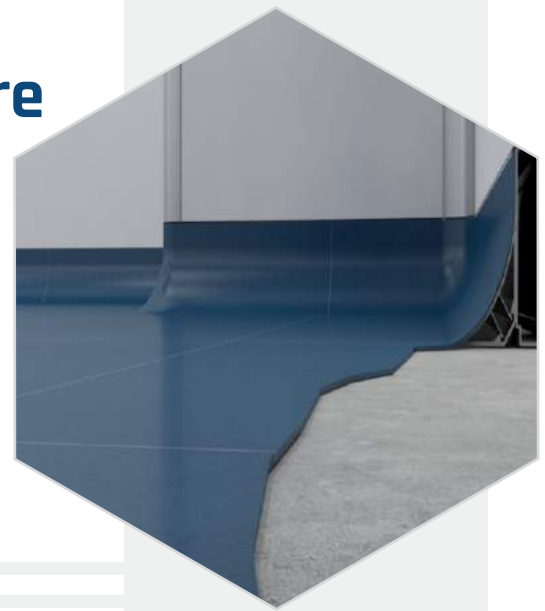

- Types :
- . Bench Mounted Types
 - . Low Bench Type for distillation
 - . Walk in Hood
 - . Unit with Auxiliary chamberz

Laminar Air Flow Unit[LAF]

- . U.V Light with Hour Meter
- . Night Mode Operation
- . Hygiene brand pre filter
- . EU6-Prefilter[95% down to 5 micron]
- . SS 304 work table with due reinforcement
- . DOP Test Port
- . Tough glass side panels

Laboratory Furniture

- . Wall mounted / sliding door unit
- . Anti-vibration table
(Black Granite , Epoxy , Laminate)
- . Mobile Drawer Unit
- . Walk In Hood
- . Sink Units(SS 304,PP,FRP)
- . Wall & Central work table
